

M.V. JEAN MARIE NOTICE TO PASSENGERS FOR YOUR OWN SAFETY:

Welcome aboard the 10 metre Cougar Cat "M.V. Jean Marie".

For your personal safety and for the safety of your fellow passengers, please take a moment to read the following safety points and make yourself familiar with them.

- When the vessel is departing and arriving at the mooring pen, please remain seated and do not attempt to help with the procedure in any way.
- Whenever you are not seated, please keep a firm handhold onto some part of the boat, as the boat may lurch or move suddenly and throw you off balance.
- By law, you must wear a lifejacket when crossing the "bar", and any other time when asked to do so by the Captain.
- By law, you must remain on the outside deck while the boat is crossing the "bar".
- The foredeck, sides and cabin roof are out of bounds to all passengers.
- Please keep all parts of your body inside the boat at all times.
- When fishing, please control your rod and tackle to prevent hitting another passenger with either your rod, sinker or hook.
- For safety reasons, the crew will take your fish off the hook for you.
- Many species of fish have dangerous spines, please do not handle any fish, either dead or alive, nor place your hand in the fish box.
- The M.V. Jean Marie is a surveyed vessel and carries all the specified safety equipment set out by the Waterways Authority.
- Liferrafts capable of carrying all passengers and crew are situated on the cabin roof in a "self activating" cradle.
- Lifejackets for all passengers and crew are situated inside the cabin in two locations: 1) under the aft bench seat and 2) under the bench next to the sink.
- A Life Ring is also situated inside the cabin at two locations: 1) above the sink on the aft bulkhead and 2) beneath the forward passenger seat.
- An "E.P.I.R.B" is also situated above the sink, and may only be activate by the Captain or person in Charge.

***Thank you for reading this notice and
please enjoy your trip. HAPPY FISHING!!!!***
